About Me

Enthusiastic 2nd-year B.Tech CSE student passionate about software development. Skilled in DSA (Java), C++, Python, and web development. Eager to solve real-world problems through tech-driven solutions.

Skills

Languages: Java, Python, C++

Web Development: HTML, CSS, JavaScript

Others: Data Structures and Algorithms (DSA), Git/GitHub

Projects

- Tic Tac Toe Game: Built using HTML, CSS, JavaScript. Developed a two-player game with interactive UI.
- Rock Paper Scissors: Console-based game in Python with random logic.
- Amazon Dim Clone: Designed a simplified clone of Amazon's homepage using HTML/CSS.
- Personal Portfolio Webpage: Built a responsive personal website using HTML, CSS, and JS.
- Smart Attendance Website: Web app with camera, fingerprint, and location integration for secure attendance.

Certifications

- DSA with Java - Great Learning, 2024
- Productivity - Be10x, 2024
- Tech-Xplore - Infosys Springboard, 2023
